Dear friends of CHSA,

CHSA has seen the community of Savannah come together to support affordable housing in 2022. Inspired by the Housing Savannah Task Force's leadership, CHSA leveraged public and private resources to create more homes for all. The challenges are great - but our resolve is strong! The impact that we are making will change lives, especially for our children. Together, we are building a community with safe, quality affordable homes for all our neighbors!

WHAT WE ACCOMPLISHED TOGETHER IN 2022

- Partnered with the Housing Savannah Task Force to create Housing Savannah, Inc., to raise funds and implement the task force's recommendations.
- Partnered with the City of Savannah and Family Promise of the Coastal Empire to create seven transitional homes for families experiencing homelessness.
- Partnered with minority-owned contractors and developers for 86% of overall CHSA-financed projects
- Partnered with the Chatham Savannah Authority for the Homeless (CSAH), the City of Savannah and the Land Bank Authority to create Dundee Cottages.
- Partnered with the City of Savannah, Mercy Housing, and the Land Bank Authority to open Phase Six of Savannah Gardens, creating 85 rental units.
